Please delete the first paragraph in the specification and enter the following text above the title "Background of the Invention":

-- Reference to Related Applications

This is a continuation of United States Patent Application Serial No. 08/239,313 filed May 6, 1994, now issued as United States Patent No. 5,785,809, which is a continuation-in-part of United States Patent Application Serial No. 07/518,935 filed May 4, 1990, later abandoned, which claims priority to Korean Patent 6514/1989 filed May 16, 1989. The contents of the above references are incorporated by reference as if set forth fully herein. --

This amendment is being made to correct a clerical error contained in the Amendment to the Specification provided in the Applicant's preceding Response.
